

	Loudoun County Combined Fire and Rescue System GENERAL ORDER (GO)	
TITLE	Essential Personnel	
GO #	2026-020	
ISSUED	July 29, 2026	
EXPIRES	n/a	
APPROVED	Systemwide Fire Chief <u>James S. Williams</u> James S. Williams	

PURPOSE

To provide notification and guidance for completing *Essential Personnel* account activations, including submission of required information and certification uploads.

BACKGROUND

As a reminder, *Essential Personnel* will serve as the system of record for certification management and qualification tracking across the Loudoun County Combined Fire and Rescue System (LC-CFRS). The implementation of this platform supports several strategic priorities and will substantially improve the System's capacity to accurately manage member certifications and qualifications, enhance regulatory compliance, and deliver dependable data and reporting to System leadership.

As we begin the implementation of *Essential Personnel*, it is important to understand that this represents the initial phase of a deliberate and methodical implementation process. *Essential Personnel* is intended to evolve alongside the needs of the organization, and as implementation benchmarks are achieved, individual roles, ranks, permissions, and leadership access within the system will continue to be evaluated and refined.

Establishing a complete and accurate certification record for each employee provides the foundation necessary to support future phases of implementation. Additional functionality, permissions, workflows, and organizational structures will be introduced at a later time.

Changes to roles, permissions, or other system functionality should be expected as part of the continued implementation and should not be viewed as the final configuration of *Essential Personnel*.

SCOPE

This System General Order applies to all members of the LC-CFRS.

POLICY

Personnel identified in this System General Order will complete the required steps by November 30, 2026.

PROCEDURE

Accessing Essential Personnel

1. *Essential Personnel* (EP) accounts will be activated for all System members on August 20, 2026.
2. System members will receive an email from essper.com containing a link to access the system. This link will expire after seven (7) days. If your account is not activated within that timeframe, you must contact Captain Brandy Eiseman to request a new activation link via email at Brandy.Eiseman@loudoun.gov.
3. *Essential Personnel* utilizes Single Sign-On (SSO). All members are required to complete their login using their Active Directory (AD) credentials. This will be the only authorized login method for the system.
4. After initial activation, members may access the system using the following link: [Essential Personnel](#)

Required Tasks in *Essential Personnel*

1. Review all information on your profile page and verify its accuracy. Any inaccurate or incomplete information shall be updated. Ensure all changes are saved before exiting the system.
2. Complete the following required forms by selecting “Edit Data” on your profile page:
 - Key Profile Data
 - Emergency Contact Form
 - Employee Information for Serious Injury or Line of Duty Death (LODD) Form
3. Upload all certifications, licenses, training records, and other professional credentials. Members are responsible for ensuring all uploaded certifications are legible.
 - Individual certifications that automatically transfer from Vector Solutions and are already displayed in your profile do not need to be re-uploaded.
 - Members remain responsible for maintaining up-to-date certification records within the system.
 - If you need to upload a certification not currently listed in *Essential Personnel*, please contact Captain Eiseman via email with the full certification name.
4. Every effort should be made to upload the applicable certification. If the certification cannot be located, please do not contact VDFFP. Instead, first verify whether the document is available in Cornerstone. If the certification is still unavailable, a full official transcript may be submitted as an alternative. Please note that partial transcripts or individual transcript pages will not be accepted.

Documents to assist with completion of required tasks in *Essential Personnel* are available on the SharePoint page: [Essential Personnel Materials](#). Members should review these documents prior to requesting assistance.

All actions required in this SGO shall be completed by November 30, 2026. Failure to comply will result in operational suspension.

Questions regarding this System General Order or assistance with *Essential Personnel* may be directed to Captain Brandy Eiseman at Brandy.Eiseman@Loudoun.gov or 571-577-3493.
